DETAILED ACTION

1. Claims 1-18 are pending. Claims 13-18 are withdrawn from consideration.
2. This action is in response to the Remarks and Declaration filed February 15, 2005.
3. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.
4. Claims 1-12 are *again* rejected under 35 U.S.C. 102(e) as being clearly by anticipated by Harris et al (Reference A).

The instantly claimed invention is disclosed. At pages 2-4, see scheme I.

Response to Applicant's Remarks

Applicants submit the Declaration of Sreenivasulu Megati and Galina Vid, in which they affirm that they, along with the other inventors of the present application, are the inventors of the subject matter referred to in the Office Action.

It is the Examiner's position:

- Under 35 U.S.C. 102(e), the invention was described in a patent (published under section 122(b)) by another before the invention by applicant.
- The declaration under 37 CFR 1.131 shows that the invention is by another.
- As such, the declaration under 37 CFR 1.131 does not overcome the rejection under 35 USC 102(e).
- The rejection under 35 U.S.C. 102(e) can be overcome by a showing under 37 CFR 1.132 that any invention disclosed but not claimed in the reference was derived from the inventor of this application and is thus not the invention "by another".

In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
